Income taxes	(100,000)	(100,000)	(100,000)
Net income	300,000	300,000	300,000

Highlights

Using advanced technology the format can be compared with a CD but clearly with a far more compact disc. We were chosen by DataPlay for the technology (drive, electronics, software) to raise our product to our customer.

Trading on the New York Stock Exchange as from July 25, 2000, shares over subscribed and the net proceeds were exercised. The net proceeds of the underwriting were used for the acquisition of the company.

overview

backdrop of an increasingly difficult market we feel that the result for the full year is a low expectations of the market analysts, very and above average for our sector.

- Costs of integration of the activities (the merger of the two companies) and the restructuring costs.
- Restructuring costs and integration costs.
- Lower gross margins.
- Division of the company.
